

# 个人简历

姓名：童敬宜                      专业：农业经济学  
出生年月：1996年9月              籍贯：安徽省合肥市  
邮箱：[jt985@cornell.edu](mailto:jt985@cornell.edu);              电话：(+86)18855122694  
个人主页：<https://jingyitong.github.io/>

## 教育背景

2025 – 至今      康奈尔大学 (Cornell University)      博士后助理研究员 (导师: 张文栋老师)  
2020 – 2025      爱荷华州立大学 (Iowa State University) 农业经济学专业      博士 (导师: Dr. David Hennessy)  
2018 – 2020      威斯康星大学麦迪逊分校 (UW-Madison) 农业与应用经济学专业      硕士 (导师: Dr. Xiaodong Du)  
2015 – 2018      科罗拉多大学丹佛校区 (University of Colorado-Denver) 经济学专业      学士  
2014 – 2018      中国农业大学经济学专业      学士

## 研究领域

第一方向：农业与发展经济学    第二方向：环境经济学    第三方向：实验经济学

农业技术采纳，农业土地空间信息化，土地利用量化模型，农地租赁与使用，农产品价格，政策分析，农业污染与碳排放，农业保险，转基因技术，农业性别议题（女性农业），支付意愿的实验设计，农民教育与拓展服务

## 科研成果

### • 参与科研基金项目：

- 纽约州政府资助科研项目-关于应用农业光伏（农光两用）的收益成本分析：New York State Energy Research and Development Authority (NYSERDA), Agreement No. 254961 (RFP 5752), NY-Shared Platform for Agrivoltaics Research & Knowledge (NYSPARK), 2025 年 9 月至今，200 万美元
- 非盈利环境保护组织与爱荷华州政府资助科研项目-关于鼓励农民采纳农业环保技术（饱和植被缓冲带）以及假设性偏差的实验分析：The Nature Conservancy; Iowa Nutrient Research Center, INRC 2025-08, Accelerating Farmer Adoption of Edge-of-Field Conservation Practices on Leakiest Fields: Economic Experiment Evidence that Reduces Hypothetical Bias, 2025 年 8 月至今，10 万美元
- 美国农业部资助科研项目-评估新型农业技术（中型覆盖膜）对于有机作物的防护虫害效果及消费者对于农药和塑料使用的偏好分析：USDA NIFA OREI Award No. 2023-51300-40855, Expanding Resilient Climate and Pest Protection Systems for Diversified Organic Specialty Crop Producers, 2023 年 9 月至今，350 万美元
- 爱荷华州政府资助科研项目-评估信息传递形式对于农民技术采纳的效果：INRC 2023-08, Decoding and Leveraging the Farmer Messenger Effect to Accelerate the Adoption of Critical Edge-of-Field Conservation Practices, 2023 年 8 月至 2025 年 7 月，12 万美元
- 美国农业部资助科研项目-提升爱荷华女性农场主在农地保护、资源获取与代际传承中的参与和能力：USDA NIFA No. 2021-68008-34180, Enhancing Conservation, Access, and Generational Transition of Iowa Farmland Through Women Landowners, 2021 年 9 月至 2024 年 8 月，30 万美元
- 爱荷华州政府资助科研项目-2022 年爱荷华州级农场主问卷调研（关于所有权、农地保护及代际传承）：INRC 2022-08, Landowners Matter Too: Accelerating Adoption of In-field and Edge-of-field Nutrient Reduction Practices Through Better-engaged Landowners, 2022 年 8 月至 2024 年 7 月，4 万美元

• 发表或期刊二审论文:

1. **Jingyi Tong**, Otavio Bartalotti, Wendong Zhang. “Institutional Land Ownership and Conservation Practice Adoption in the U.S. Midwest.” (*Journal of Environmental Economics and Management* Revise & Resubmit; 中科院经济学二区, 第一作者)
2. Xiaolan Wan, **Jingyi Tong**, Jacqueline Comito, Wendong Zhang. “Is a Farmer a Better Messenger than an Extension Professional for Conservation Practice Adoption?” (*Agricultural Economics* 已接收; 中科院经济学二区, 通讯作者)
3. **Jingyi Tong**, Michael Bootsma, Wei Zhang, Wendong Zhang. “Factors Influencing the Adoption of Flexible Lease Arrangements in Iowa.” *Journal of the ASFMRA* 2026. 11–25. (第一作者)
4. **Tong, J.**, J.Benning, C.DeLong, M.Schultz, W.Zhang. “What women landowners want to know about conservation.” *Renewable Agriculture and Food Systems*. 2024. 39(e35). (中科院农林科学三区, 第一作者)
5. Schultz, M., J. Benning, C. DeLong, C. Hyde, M. O’Rourke, L. Scarbrough, K.Tidgren, **J. Tong**, W. Zhang. 2022. “Survey Increases Understanding of Iowa Women Farmland Owners.” *Journal of The NACAA*.15(2) ISSN 2158 9429.
6. Wehner, J., **J. Tong**, W. Zhang, T. Li, K. Pulliam, D. Gonthier, A. Sciligo, E. Miller. 2025. “Kentucky Consumer Perceptions and Key Attributes in the Willingness-to-Pay Study for Cucumbers.” Cornell SC Johnson College of Business Research Paper. <http://dx.doi.org/10.2139/ssrn.5767702>
7. **Tong, J.**, and W. Zhang. 2023. “Iowa Farmland Ownership and Tenure Survey 1982 – 2022: A 40 Year Perspective.” Iowa State University Extension and Outreach, FM 1893. (第一作者)
8. Hart, C., **J. Tong**, W. Zhang. 2023. “The Continuing Evolution of Iowa Farmland Ownership and Tenure: Results from the 2022 Survey.” *Agricultural Policy Review*. Center for Agricultural and Rural Development, Iowa State University.
9. **Tong, J.**, W. Zhang. 2022. “Educational Preferences on Farmland Leasing, Conservation Practices, and Transition Plans: Voices of Iowa Women Farmland Owners.” Center for Agricultural and Rural Development, Iowa State University. (第一作者)
10. **Tong, J.**, Y. Zhou, and Z. Luan. 2016. “Establishing the Educational Evaluation System of Academic Advising for Sino-foreign College.” *24th International Conference on Computer in Education: Think Global Act Global – Workshop Proceedings*, Mumbai, November 28 - December 2. (第一作者)

• 在投或工作论文:

1. **Jingyi Tong**, David Hennessy, Shuchao Ye, Chaoqun Lu. “Grid-Level Dynamic Land Use Analysis of Farm Policy Changes in the U.S. Corn Belt with Application to Nitrous Oxide Emissions.” (*American Journal of Agricultural Economics* under review)
2. **Jingyi Tong**, William Chen, Wei Zhang, Wendong Zhang. “County-Level PFAS Contamination Site Density and Associations with Chronic Disease and Cancer in the United States.” (*BMJ Public Health* under review)
3. Jasmin Wehner, Tongzhe Li, **Jingyi Tong**, Wendong Zhang. “Asymmetric Consumer Responses to Competing Sustainability Attributes of Innovation.”
4. **Jingyi Tong**, David Hennessy. “Rootworm Corn Seed Disadoption: Land Use & Regional Welfare Consequences in the Inner Corn Belt.”
5. **Jingyi Tong**, Jacqueline Comito, Wendong Zhang, Xiaolan Wan. “Who Influences Whom? Gender Peer Effects in Edge-of-Field Practice Adoption among Farmers.”
6. Shuchao Ye, **Jingyi Tong**, Chaoqun Lu. “Declining crop diversity increases N<sub>2</sub>O emission in the United States.”
7. **Jingyi Tong**, Yu Wang, Wendong Zhang. “Where Should Microgrids Go? Consumer Willingness to Pay across Community Locations.”

8. Shuaiqi Wu, Jingyi Tong, Shuchao Ye. “Does Conservation Reserve Program Improve Crop Yield and Resilience?”
9. Yu Wang, Jingyi Tong, Hermine Zhou, Wendong Zhang. “Consumers’ Willingness to Pay for Green Ethylene: A Discrete Choice Design”
10. Jingyi Tong, Wendong Zhang, Katie Dentzman. “What Drives Organic Cucurbit Growers to Adopt Mesotunnel Row Covers? An Application of the Technology Acceptance Model.”

## 专业技能

---

**经济模型：** 卫星遥感大数据应用 (remote sensing data application), 工具变量及其在非线性模型中的使用 (IV in nonlinear models), 双重/三重差分模型 (DID and its variants), 滞后因变量模型 (lagged dependent models), 条件价值评估法 (contingent valuation methods), 信息干预与田野实验 (information treatment and field experiment)

**软件技能：** 各种 AI 工具, R, Stata, ArcGIS Pro, Python, LaTeX, Tableau, SPSS, Microsoft Office

## 教学经历

---

经济系, 爱荷华州立大学

- 授课老师：微观经济学原理
- 助教：乡村土地与房产评估, 农产品市场数据分析, 农业市场概论, 农场企业管理, 微观经济学原理

## 获得奖项

---

- “Women Landowners’ Voices from Iowa: Empowering Expertise in Farmland Leasing, Conservation, and Transition.” 2023 AAEA Graduate Student Extension Competition - second place.  
2023 美国农业与应用经济学协会年会, 研究生推广服务竞赛第二名
- First-class academic scholarship with title “Deans List” ; Distinguished student with Honor “Cum Laude” in University of Colorado-Denver  
科罗拉多大学, 杰出毕业生称号, 一等奖学金
- 中国农业大学, 学业优秀奖学金

## 学术会议

---

- 2026 Agricultural & Applied Economics Association (AAEA) Annual Meetings (美国农业与应用经济学协会年会)
- 2026 The Chinese Economists Society (CES) China Annual Meeting (中国经济学会中国年会)
- 2026 CES North American Annual Meeting (中国经济学会北美年会)
- 2025 World Bank Land Conference (世界银行土地会议)
- 2024 Agricultural & Applied Economics Association (AAEA) Annual Meetings
- 2024 Northeastern Agricultural and Resource Economics Association (NAREA) Annual Meeting & Workshop (美国东北部农业与资源经济学会年会)
- 2024 Food & Human Values Society (AFHVS) and the Association for the Study of Food and Society (ASFS) Conference (食品与社会研究联合会议)
- 2024 Extension Risk Management National Conference (全国推广服务风险管理会议)
- 2023 Agricultural & Applied Economics Association (AAEA) Annual Meetings
- 2022 Women in Ag Leadership Conference (农业女性领导力会议)
- 2022 Agricultural & Applied Economics Association (AAEA) Annual Meetings

## 同行评审

---

Environmental Research Letters, Journal of Soil and Water Conservation, Future Foods, The Journal of Extension, Environmental Research Communications, Journal of Rural Studies

## 推荐人信息

---

**David A. Hennessy** (博士导师)

Cargill Professor in Economics Systems

Department of Economics

Iowa State University

hennessy@iastate.edu

**Wendong Zhang** (博士及博士后导师)

Associate Professor

Dyson School of Applied Economics and Management

Cornell University

wendongz@cornell.edu

**Xiaodong Du** (硕士导师)

Professor

Department of Agricultural & Applied Economics

University of Wisconsin – Madison

xdu23@wisc.edu
